

September 3, 2020

Whether you missed it, or you would like to watch it again, here is the recording of our Informational Webinar conducted 9.3.20. It features the leadership team introducing the new UCSF Genetic Counseling Program, providing an overview of the curriculum, sharing what makes the UCSF program special, and answering questions.

- A recording of our webinar may be viewed here: <https://youtu.be/yJupE5v5AM0>
